

**For every team, there is a legacy to be built.
It's a foot stomping, heart pumping, "This is our house!" legacy.**

We've partnered with Watchfire to bring you video scoreboards that feed the excitement and capture every electrifying moment. These LED displays keep score, showcase athletes, boost fan participation, and grow sponsorships with eye-catching excellence. Whether alone or paired with a fixed-digit scoreboard, a Watchfire display fires up players, fans and sponsors and comes with the best service in the industry.

BEST-LOOKING, MOST RELIABLE VIDEO BOARDS

Create home court advantage with the Watchfire indoor S-Series video scoreboards and displays.

The tight resolution, sharp contrast and high-quality LEDs will dazzle fans, sponsors and the competition. Adjustable brightness sets the perfect level in any light. A faster refresh rate prevents flickering on television cameras or cell phones.

EASY SCORING AND ENTERTAINMENT SOFTWARE

Whether they're professionals or volunteers, give your game staff an intuitive scoring and timing software that's easy to learn and fun to operate.

With Ignite Sports, you can create, manage and deliver game-time content to Watchfire in-venue displays. Instantly personalize video scoreboards with team colors, graphics and revenue-generating advertising zones.

PEACE OF MIND WITH UNMATCHED SERVICE

For over 85 years, Watchfire has designed, engineered and serviced superior products, and there are more than 60,000 Watchfire displays in daily operation to prove it.

From idea through installation and integration, Watchfire provides the expertise, world-class displays, hardware, cameras, equipment and assistance you need to maximize crowd engagement.
