

WATCHFIRE VIDEO DISPLAY

BUILD THRILLS AND CHILLS WITH THE BEST-LOOKING VIDEO DISPLAYS IN SPORTS

Excite fans and generate revenue when you pair a Watchfire video display with your traditional scoreboard. High contrast LEDs, a rapid refresh rate and an ultra-wide viewing angle make Watchfire displays an ideal addition to any venue.

Watchfire Ignite Sports software with a touchscreen interface puts game time production at your fingertips. Push a button and prompt fans to “make some noise.” Create advertising zones anywhere and at any size, for increased versatility. Create drag and drop playlists for hassle-free advertising and message rotations. Ignite Sports includes a library of animations and the ability to customize with your own text, photos, logos and video.

Fire up fans and sponsors with a Watchfire video display.
