

WATCHFIRE VIDEO DISPLAY WITH INSTANT REPLAY

BRING FANS TO THEIR FEET WITH VIDEOS ON THE BIG SCREEN

Raise the energy level at your facility with live action, replays, digital advertising, social media streams and crowd prompts. Pair a Watchfire video display with a traditional scoreboard to create memorable experiences that start with the best-looking displays and lead to engaged fans and sponsors.

From expertise to equipment, and from inception to installation, Watchfire offers everything you need to build a state-of-the-art video display system. Our displays are designed with high-contrast LEDs, a rapid refresh rate and an ultra-wide viewing angle. We provide the computers, touchscreens, video cameras, software and audio-video equipment, so you don't have to shop around or stress over making the right choice.

Fire up fans and sponsors with a Watchfire video display.
