

For every team, there is a legacy to be built. It's a foot stomping, heart pumping, "This is our house!" legacy.

Watchfire brings you video scoreboards that feed the excitement and capture every electrifying moment. These LED displays keep score, showcase athletes, boost fan participation, and grow sponsorships with eye-catching excellence. Whether alone or paired with a fixed-digit scoreboard, a Watchfire display fires up players, fans and sponsors and comes with the best service in the industry.

BEST-LOOKING, MOST RELIABLE VIDEO BOARDS

Watchfire is the only manufacturer who factory calibrates for both color and brightness. High contrast LEDs and wide viewing angles provide great viewing from every seat.

The high resolution, sharp contrast and quality LEDs will dazzle fans, sponsors and the competition. Our sports series displays are designed with faster refresh rates, so they photograph beautifully with cell phones.

EASY SCORING AND ENTERTAINMENT SOFTWARE

Whether they're professionals or volunteers, give your game staff an intuitive scoring and timing software that's easy to learn and fun to operate.

With Ignite Sports, you can create, manage and deliver game-time content to Watchfire in-venue displays. Instantly personalize video scoreboards with team colors, graphics and revenue-generating advertising zones.

PEACE OF MIND WITH UNMATCHED SERVICE

For 90 years, Watchfire has designed, engineered and serviced superior products, and there are more than 65,000 Watchfire displays in daily operation to prove it.

From idea through installation and integration, Watchfire provides the expertise, world-class displays, hardware, cameras, equipment and assistance you need to maximize crowd engagement.
