

BOWDON HIGH SCHOOL

BOWDON, GA • S16mm • 17'x 30'

“

The use of technology and branding are integral to sharing our message with our schools and communities. We have received a lot of positive feedback from our schools and our community regarding the boards, and the wonderful atmosphere that is created for our athletic events.

The scoreboards give students the opportunity to learn skills in design and branding that give useful experience for the future.
